Road safety knowledge sharing and dissemination project with emphasis in Low - and Middle - Income countries

Scientific Responsible
Professor **George Yannis**

The objective of this project is the development of a dissemination plan and the production of road safety products and materials to be used by the Word Road Association in knowledge sharing activities such as webinars, seminars, conferences and workshops. All work will proceed under the guidance of PIARC. Working knowledge of PIARC'S safety knowledge including an understanding of the Road Safety Manual (RSM) content and the intended audience(s) is required.
