## Road Safety Audit - Inspection of the Project: Upgrade of Eastern Internal Ring Road of Thessaloniki and Existing Western Internal Ring Road of Thessaloniki

Scientific Responsible
Associate Professor Stergios Mavromatis

The project concerns the Road Safety Audit – inspection of the Eastern Internal Ring Road of Thessaloniki (AEsPER) before its delivery to traffic, as well as Western Internal Ring Road of Thessaloniki (DEsPER) within the framework of its existing operation. More specifically, two technical Road Safety Audit inspection reports (AEsPER and DEsPER) will be prepared, which will, among other things, highlight areas that may cause concerns regarding the safety provided. Realistic recommendations will be submitted for any corrective actions required in the areas in question.
